OPERATION AND MAINTENANCE INFORMATION:

I. PROPERTY INFORMATION:

I.A. PROPERTY ADDRESS:

5175 Union Avenue
San Jose, CA 95124

I.B. PROPERTY OWNER:

Union School District

II. RESPONSIBLE PARTY FOR MAINTENANCE:

II.A. CONTACT:

Andrew Gerber - Belmont Village Senior Living

II.B. PHONE NUMBER OF CONTACT:

(619) 455-9846

II.C. EMAIL:

agerber@belmontvillage.com

II.D. ADDRESS:

8554 Katy Freeway, Suite 200
Houston, TX 77024

SOURCE CONTROL MEASURES:

- BENEFICIAL LANDSCAPING.
- USE OF WATER EFFICIENT IRRIGATION SYSTEMS.
- MAINTENANCE (PAVEMENT SWEEPING, CATCH BASIN CLEANING, GOOD HOUSEKEEPING).
- STORM DRAIN LABELING.

SITE DESIGN MEASURES:

- PROTECT EXISTING TREES, VEGETATION, AND SOIL.
- DIRECT RUNOFF FROM ROOFS, SIDEWALKS, PATIOS TO LANDSCAPED AREAS.
- PLANT TREES ADJACENT TO AND IN PARKING AREAS AND ADJACENT TO OTHER IMPERVIOUS AREAS.
- E (E.G., RAIN BARREL, CISTERN CONNECTED TO ROOF DRAINS)
- PROTECTED RIPARIAN AND WETLAND AREAS/ BUFFERS.

TREATMENT CONTROL SUMMARY TABLE

Area	TCM #	Treatment Type	Drainage Area (s.f.)	Impervious Area (s.f.)	Pervious Area (s.f.)	Bioretention Area Required (s.f.)	Bioretention Area Provided (s.f.)	Bioretention Lined or Unlined	Overflow Riser Height (in)	Storage Depth Required (ft)	Storage Depth Provided (ft)

A close-up photograph of a rustic floor made of large, square, brown tiles with a textured, slightly mottled appearance. In the top left corner, a woven basket filled with logs is partially visible, along with a few logs lying on the floor. The lighting is warm and directional, creating soft shadows and highlighting the textures of the tiles and the basket.

A tall, black, cylindrical outdoor lamp post. The top features a tiered, conical design with a small, pointed finial. The post has a smooth, reflective surface.

A black, adjustable desk lamp with a flexible gooseneck and a conical shade. The lamp is shown in a side profile, with the gooseneck curved upwards and then downwards to position the shade. The shade is a simple, inverted cone shape. The lamp is set against a plain white background.

CONCEPTUAL PLANT PALETTE

L3.0

A collage of 20 photographs showcasing various trees in different colors and settings. The images include: a row of green trees along a sidewalk; a large, full green tree in a park; a green tree in front of a house; a tall, slender tree with yellow foliage; a tree with vibrant orange and red autumn foliage; a tree with bright yellow autumn foliage; a tree with pink blossoms; a tree with purple blossoms; a tree with green foliage in front of a brick building; a tree with yellow autumn foliage in a park; a tree with pink blossoms in front of a house; a tree with green foliage in a park; a tree with yellow autumn foliage in a park; a tree with pink blossoms in front of a house; a tree with purple blossoms in a park; a tree with green foliage in front of a brick building; a tree with yellow autumn foliage in a park; a tree with pink blossoms in front of a house; a tree with purple blossoms in a park; and a tree with green foliage in front of a brick building. The trees are shown in various sizes and shapes, and the colors range from green to yellow, orange, red, pink, and purple. The settings include parks, residential areas, and commercial buildings. The photographs are arranged in a grid-like fashion, with some images overlapping others. The overall theme is the diversity of tree colors and forms.
